

Agilent Webinar Series

Ask the Experts

Webinar 2:
Exomes today and tomorrow

Register now for the free Agilent Webinar Series

Want to enhance your skills in the Genomics world?

Have an hour to spare?

Join us on Tuesdays for a series of science topics presented by Agilent experts.

Presented by our field scientists, you'll learn tips and tricks to be more successful in your work.

Date: November 30, 2021

Time: 11:00 CET

Speaker: Kathleen Corcoran & Jennifer Jones,
Agilent Technologies

As the goals and needs of scientist evolve regarding next generation sequencing, the role of performing exon enrichment has also evolved. Utility and application of Exomes are impacted by both content as well as overall structure and sample options.

This presentation will discuss the type of applications and content utilized today with Exome sequencing and the promise of relevance in the future.
